

## New Students

We welcome new students who would like to join our Youth Program. Because we are located and are a part of the Lao Cultural Center, our main focus is to uphold the mission of L.A.O. America.

Students that are interested in learning more about the Lao culture and traditions are of course the perfect candidates to participate in our programming.

We welcome any one with interest a

spot in our program, and participation in our program is at no cost to you or your family. We simply ask that you support our organization either through being active parents or having a proactive role in your children's activities.

To join, simply give us a call or send an e-mail. All it takes is a registration and emergency contact form and your child is ready to learn and have fun doing it.

## New Volunteers

Volunteers are the heart of the program. Without volunteers our program would not run as smoothly or as planned.

If you would like to volunteer, or if you know someone who would make a great volunteer and loves working with children, then please feel free to

contact our organization for an application.

We are constantly in need of committed, enthusiastic individuals looking to have fun.

Our volunteers receive lunch and go on field trips too.
